

ABOUT MEXICO CITY

Mexico City (CDMX), is the capital and largest city of the country. It is divided into 16 municipalities that host approximately 8.9 million people. Its historic center, better known as Zocalo, is declared World Heritage by UNESCO and is the heart of a living culture that goes back to the foundation of Tenochtitlan. Its neighborhoods are flooded with unparalleled cuisine that go from street food to Michelin Star Chefs. Being the 2nd city with the most museums in the world, you will find the streets themselves filled with art from different times and places.

CAMPUS

Ciudad de México

ABOUT THE CAMPUS

Located in the Southern part of the Capital City, Mexico City Campus is the 2nd biggest campus when it comes to student population with around 8,000 students in high school, undergraduate and graduate programs.

Mexico City Campus is considered the newest and most modern campus since it started being rebuilt in 2019 and was inaugurated in 2021. The new facilities, spread across 24 hectares, offer everything for both national and international students: state-of-the-art buildings and classrooms, new laboratories, a 5-floor library with lovely terraces, and several spots both indoors and outdoors to study, work in teams or simply relax with friends from different cities and countries.

HOW TO ARRIVE

We suggest that you take a taxi from inside the airport to your residence or to the campus.

FACILITIES

- Sport facilities
- Cultural facilities
- Library
