

## ABOUT ESTADO DE MÉXICO

The State of Mexico is one of the most densely populated states in Mexico. It is divided into 125 municipalities, where you can find a wide variety of nature, archeology and history. It is a region next to Mexico City, which borders Morelos, Querétaro, Hidalgo and Puebla. There are 7 touristic corridors; where you can enjoy Pueblos Mágicos, breathtaking views among wildlife, panoramic views, nature and archeological sites. As it covers part of north, south and the west of the center of Mexico, each side offers the beauty of each face, from different weather conditions to a variety of typical and delicious dishes. Discover Estado de México (State of Mexico) and fall in love with every corner of it.

## TEMPERATURE

- Average temperature: 24°C / 75°F.
- January and February coldest months: minimum 3°C / 37°F
- Maximum temperature between April and May 25°C / 75°F.

# CAMPUS

# Estado de México

## ABOUT THE CAMPUS

Founded in 1976 with over 22km in land where students enjoy green and open areas and over 250 classrooms. One of the buildings, the CEDETEC is exclusively dedicated to Engineering, Science and Computer labs and music studios. You will find an Olympic pool, a football field and a theater where some of the hundreds of cultural activities take place. International students have access to all campus facilities along with the hospitality of our students. You will have the best of Mexico City and Estado de Mexico at this location.

## HOW TO ARRIVE

We suggest that you take a taxi from inside the airport to your residence or to the campus.
