

TEC DE MTY

Santa Fe

ABOUT SANTA FE

Tec de Monterrey Campus Santa Fe is located in the western edge of Mexico City in the area of Santa Fe which is probably the fastest growing business district in Mexico. CSF is the closest Campus to the iconic neighborhoods of Roma, Condesa, Reforma and Historic Center. Santa Fe has a great nightlife, nice restaurants, theaters, cinemas and sporting activities. It has malls with luxury brand shops such as Centro Santa Fe, the largest mall in Latin America. It is the most cutting-edge area of Mexico City and a great destination for students. Santa Fe was developed by a group of prestigious architects in Mexico, which is why it has a range of unique architectural designs.

TEMPERATURE

The weather in Santa Fe can range between +5 to +29 depending on the season.

CAMPUS Santa Fe

ABOUT THE CAMPUS

Campus Santa Fe started operation in August 2001. The campus features modern architecture by the renowned Architect Ricardo Legorreta, having more than 30,000 square meters of construction. Today it counts with over 8,000 students enrolled in High School, Undergraduate and Graduate Programs.

The Campus houses one of the best business school in LATAM at the postgrad level "EGADE Business School". The international community has grown in recent years since many international students choose the Campus because of their parent's work located in the area or because they want to come on an exchange. In addition, we have a big community of foreign local students. The multicultural environment is always present in the Campus.

HOW TO ARRIVE

We suggest that you take a taxi from inside the airport to your residence or to the campus.

FACILITIES

Santa Fe's facilities are top of the line:

- Soccer fields
