

Guernavaca

ABOUT MORELOS

Morelos has one of the best weather in the country, in fact, its Capital Cuernavaca, is called "the City of eternal Spring". It is located in the south of Mexico and has borders with Mexico City, Guerrero and Puebla. It is a small and charming state, enhanced with the beauty and colors of nature, where the history of Mexico is alive. Here, archaeological zones, colonial sites, gardens and modern spaces coexist and witness the cultural diversity and warmth of its inhabitants.

CAMPUS

Cuernavaca

ABOUT THE CAMPUS

Campus Cuernavaca was founded in 1980 and is one of the 26 campuses of the Tecnológico de Monterrey system. Campus Cuernavaca moved to its new facilities in 2008. It is highly modern, has fully equipped facilities and private security. At the same time, it offers open spaces and green areas such as the Central Forest next to the main building of the campus. Enhancing a fresh view with a small waterfall and trees which makes students feel Morelos environment. When you visit the Fraternity Tree, a symbol of peace, friendship and fraternity among countries, don't forget to leave your home country flag. The location and nice weather of this campus allows students to grow in their professional area, maintaining close contact with classmates and faculty members within a comfortable and natural environment.
