

Puebla

ABOUT PUEBLA

Puebla is one of the most cosmopolitan destinations in Mexico, where the greatness of a historical past is combined with the modernity of a unique city of its kind. This city was declared Cultural Heritage of Humanity by UNESCO in 1987, its history, gastronomy, culture, colonial architecture and modernity are mixed to create an amazing city. Women in Puebla wore for the first time the costume of the China Poblana and the battle of May 5, 1862 was fought. Pueblas has 7 Magical Towns, where breathtaking landscapes are encountered: mountains, semi desert areas, valleys, lagoons, forests, rivers, volcanoes, etc.

CAMPUS

Puebla

ABOUT THE CAMPUS

El Arco, a futuristic steel structure along with the Totem, will welcome you to campus Puebla, which lies within a territorial reserve, in one of the areas with the greatest urban and economic development. Its view offers more than 3,000 trees, with 70,000 m² of green areas and a Career Garden with trees that were planted by teachers and students. Its modern architecture is shown through its library, a Student Center, the CIDMA building with 15 laboratories for engineering, science, architecture, art and design, all with cutting-edge technology. Specialized classrooms, conference centers and sports facilities offer you a great educational and personal experience.

ACADEMIC OPPORTUNITIES

It offers a large selection of courses and an extensive database for internships.

- Engineering & Sciences
- Architecture, Art & Design
